

## SUBCONTRACTOR QUALIFICATION

January 19, 2010

RE: Frey Electric, Inc.  
5700 Cheviot Road  
Cincinnati, OH 45247

To Whom It May Concern:

Please let this letter serve as confirmation that Frey Electric, Inc. has an Aggregate surety bond program of \$6,000,000 with a Single project limit in excess of \$2,000,000 with Ohio Casualty Insurance Company (Best Rating = A).

Please note that these limits are not set as maximums, in that if a larger project were to come up that would cause either limit to be exceeded, Ohio Casualty Insurance Company would be willing to discuss it. This bond program is *conditioned* upon the bond company's review of the contract terms and other underwriting information at the time of issuance.

Frey Electric, Inc. has continually demonstrated the ability to deliver projects on time and within budget. We have the utmost confidence in their management and project delivery; thereby, highly recommend Frey Electric, Inc. for any project they wish to pursue.

If you should have any questions, please feel free to call me.
